### THE CHILDREN ARE OUR FIRST PRIORITY

We believe that children learn from us and that we are their role models. Children are forming habits, attitudes and patterns that will affect them throughout life. We expect all employees to treat the children in a respectful manner and for the children in turn to respond in the same way. We also expect the children to show this same manner of respect to each other and to use all the facilities' equipment in an appropriate manner. Children who are demonstrating inappropriate behavior will be redirected as a first intervention. For more serious infractions such as biting, fighting, improper language or for repeated infractions, the child will be sent to the Site Director for further intervention. If this does not resolve the problem, the parents will be contacted for assistance. Chronic misbehavior can result in dismissal from the program.

I have read and fully understand the center's discipline policy.

If for any reason none of these parties are available I hereby authorize summer camp staff to use and transport my child to the closest medical facility and I grant permission to perform any emergency procedure at the direction of that medical facility.

I have read and fully understand the center's emergency care policy.
